

# Photo Album Overview

# Login Screen [1]

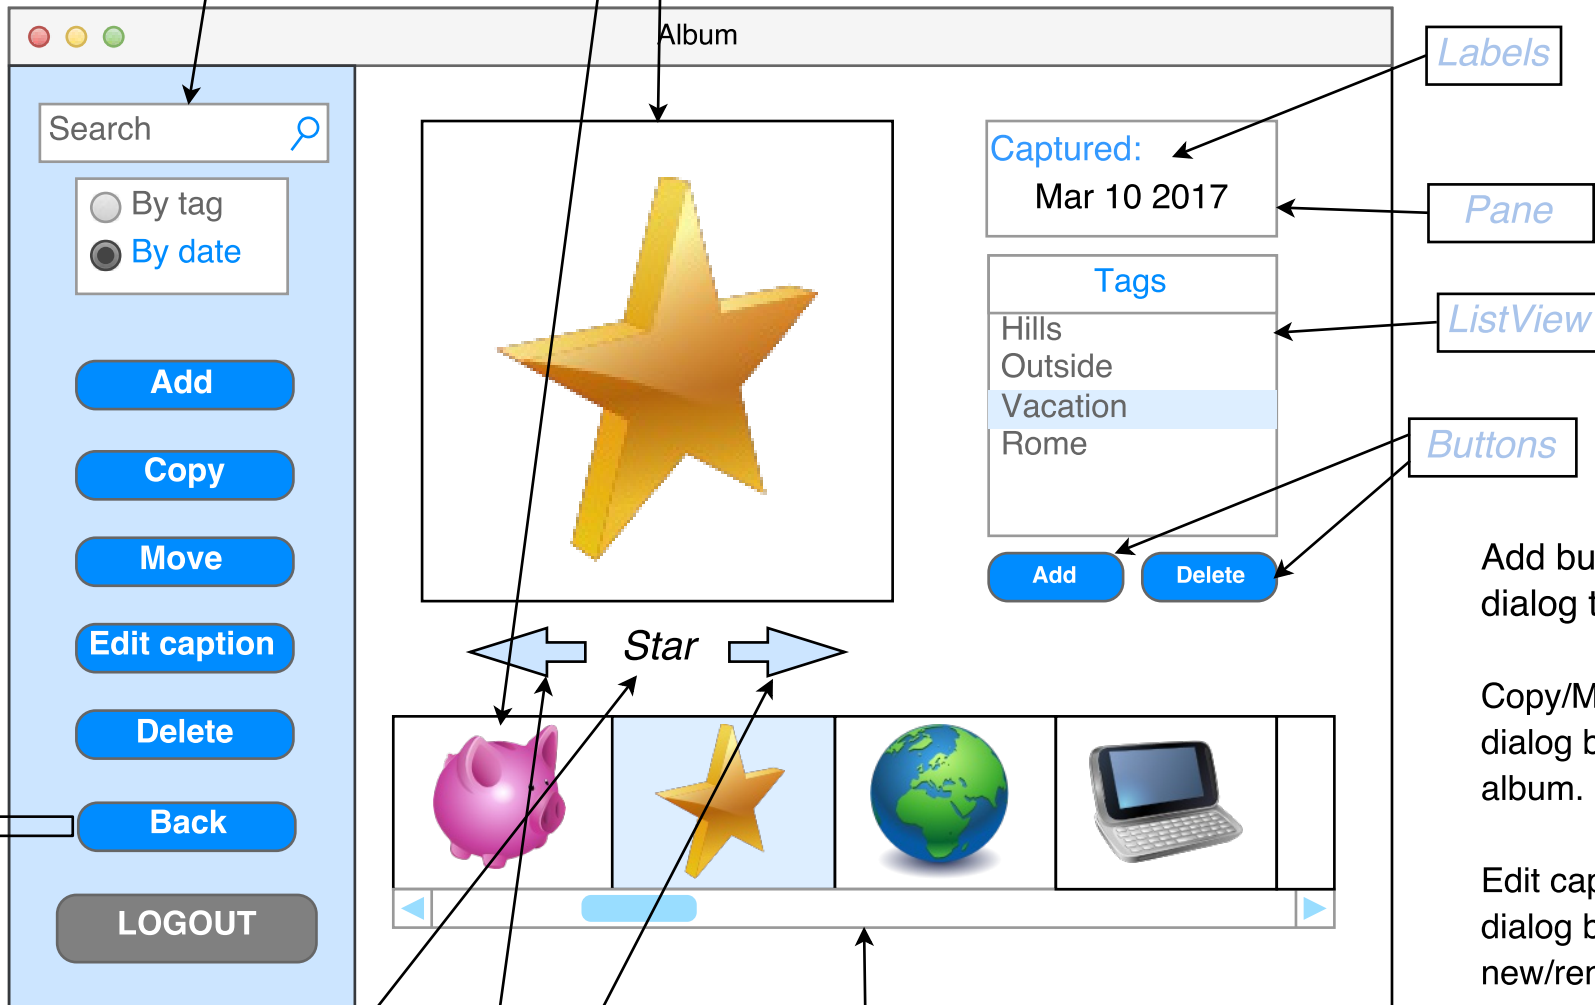

# Album List View [2]

# Opened Album View [3]

Same as before

Image view

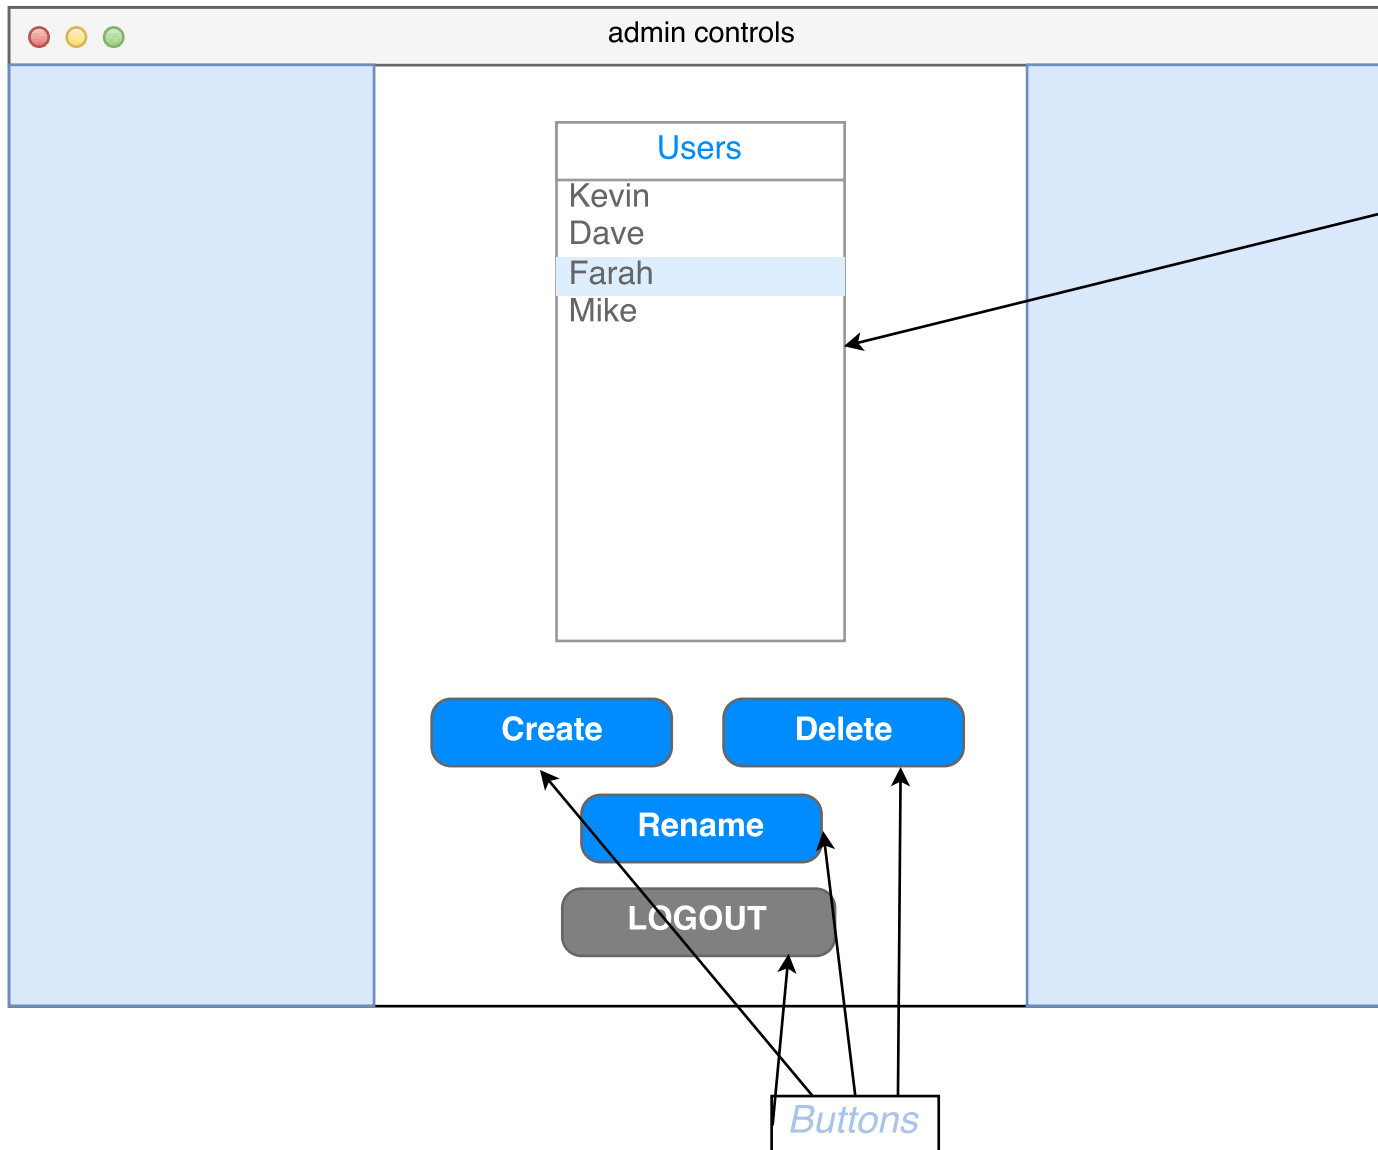

Add buttons display a dialog to add image/tag.

Copy/Move button display dialog boxes to select album.

Edit caption button display dialog box to enter new/renamed caption.

Delete button will delete currently selected image.

# Admin View [4]

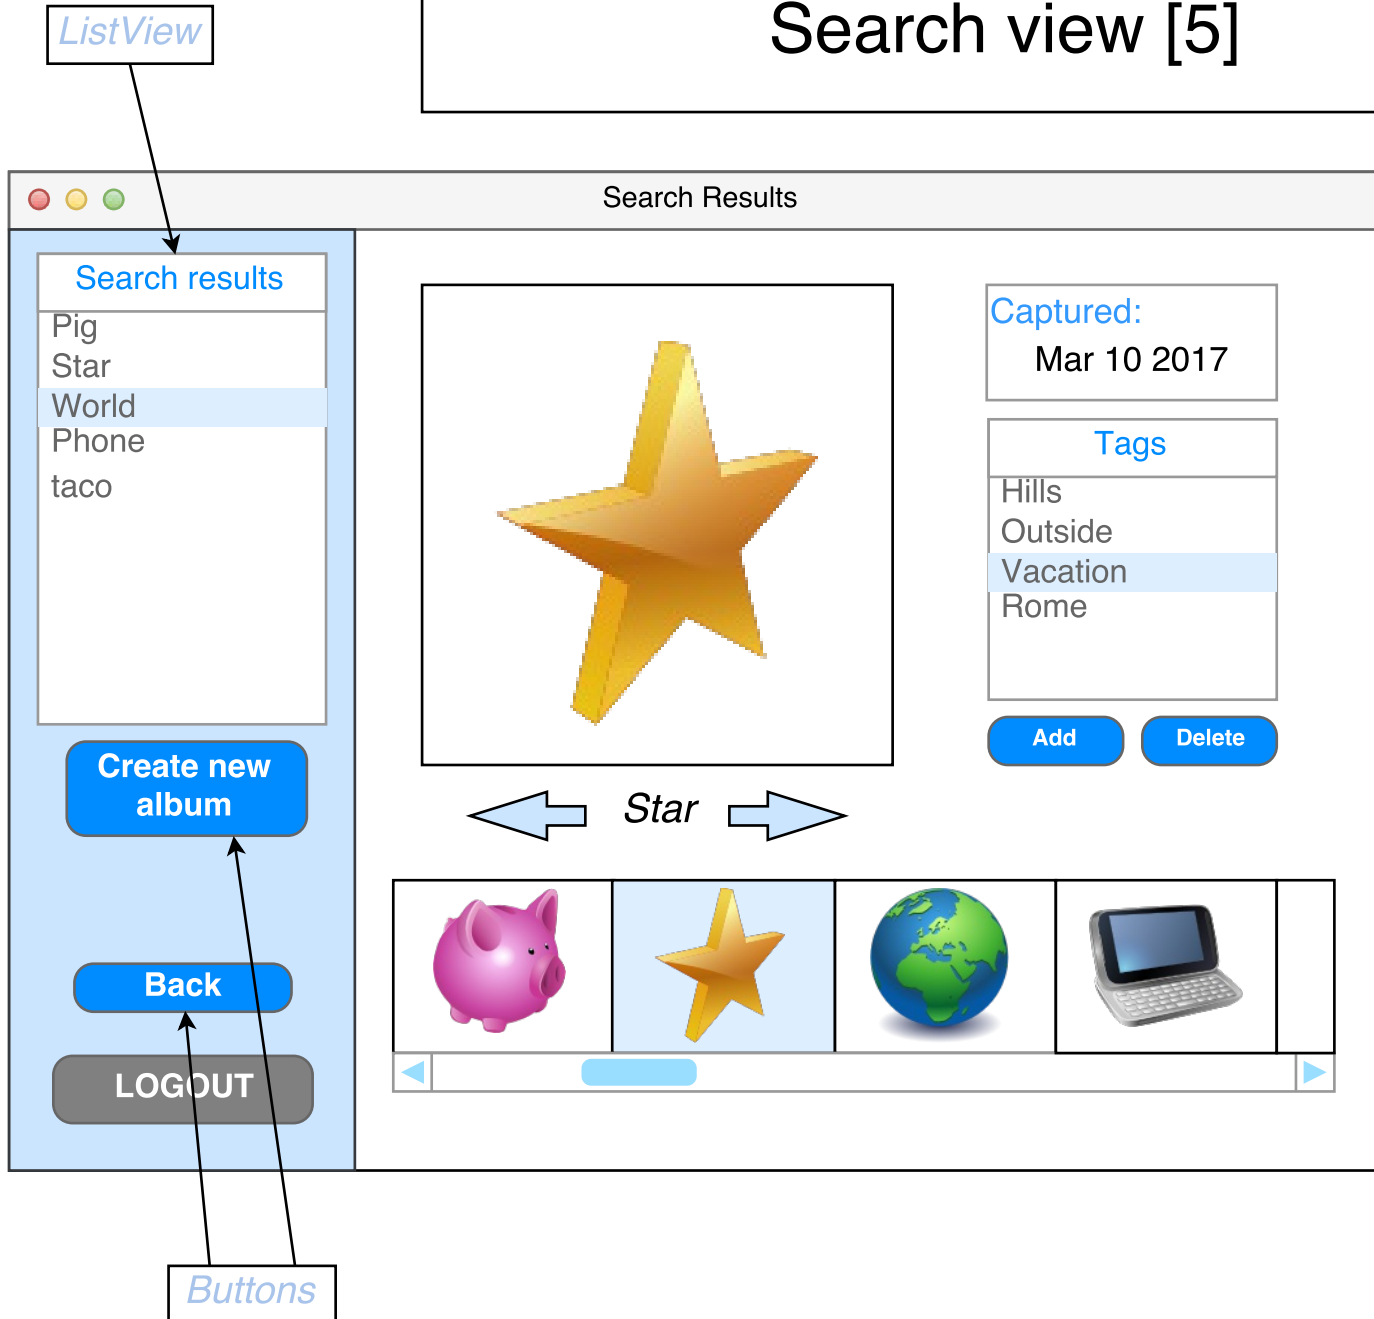

*ListView*

Create and delete users on this screen.

Clicking create will open dialog box to add new user.

# Search view [5]

This screen is identical to screen [3] except for the search results list.

The horizontal list and list view are populated with the same images.

A new album can be created with the search results.
